

HUBERT KAIRUKI MEMORIAL UNIVERSITY

ADMISSIONS ANNOUNCEMENT FOR THE FOLLOWING POSTGRADUATE PROGRAMMES FOR THE ACADEMIC YEAR 2022/2023

Hubert Kairuki Memorial University (HKMU), is an accredited and chartered University, recognized by the Government of the United Republic of Tanzania, through the Tanzania Commission for Universities (TCU). Applications for admission are invited from qualified candidates wishing to pursue postgraduate studies at HKMU for the academic year 2022/2023. Applications are hereby invited for the following academic postgraduate programmes:

1. MASTER OF MEDICINE (MMED):

HKMU offers Master of Medicine Degree programme in the following specialties:

- i) **Master of Medicine in Surgery**
- ii) **Master of Medicine in Internal Medicine**
- iii) **Master of Medicine in Obstetrics and Gynaecology**
- iv) **Master of Medicine in Paediatrics and Child Health**

Entry requirements:

Holder of good MD or MBChB degree or equivalent, normally with at least B grade in the subject intended for specialization. Working experience of one year as a Medical Officer, after one-year internship.

Duration of the programme: 3 years.

2. MASTER OF SCIENCE IN PUBLIC HEALTH (MScPH):

The programme has strong components of clinical research, non-communicable Diseases (NCDs), and International/Global Health, in addition to conventional topics covered by conventional Master of Public Health (MPH) course. In-depth coverage of approaches to scientific clinical research, NCDs and international/global health imparts the scientific basis and takes the course steps higher than the conventional MPH course. Graduates from MScPH will respond appropriately to the changing epidemiology of communicable and non-communicable diseases, through the scientific evidence base. In this regard, they will be well-equipped to face current health challenges and will be highly marketable regionally and globally.

Entry Requirements:

1. Holders of Doctor of Medicine (MD) or equivalent, Bachelor of Science in Nursing, Bachelor of Science in Environmental Health, Bachelor of Science in Laboratory Technology or equivalent, Doctor of Dental Surgery, and Bachelor of Pharmacy or equivalent. Nurses and pharmacists must have obtained at least lower second class.
2. Graduates of recognized University with at least upper second class in health-related fields of study such as sociology, anthropology, health statistics, health economics, epidemiology, demography, biology, nutrition, food science and health information sciences.
3. Working experience with communities in health-related fields at a district or higher level would be advantageous.

Duration of the programme: 18 months.

MODE OF APPLICATION-(ONLINE APPLICATION):

Applicants for postgraduate programmes are required to apply directly to the University with a non-refundable fee of TZS 50,000 or UDS 50.00 (for the international students), payable through your Tigo Pesa, Mpesa or Airtel Money.

Application is online through the link www.osim.hkmu.ac.tz available at www.hkmu.ac.tz

For more information, please visit the University website www.hkmu.ac.tz or pay a visit to HKMU Admissions Office.
